Turn Around

Depending on the status of other projects, most services listed can be successfully completed within 3-5 days. Small print items like flyers, post cards and promotional items can usually be finished in 1-2 days.

Payment

I charge **\$45 an hour**. Half of the project fee is due up front before beginning the project and the remaining balance is to be paid upon project completion. Payment can be by check or money order made out to Lee Woodward. A mailing address will be provided.

What You Will Receive

1. Multiple design concepts based on each individual project
2. All file formats when the project is completed (*ex: PDF/JPEG*)
3. Any raw files including fonts and/or photography
4. Custom design solution based on your needs
5. 12 years of experience at half the cost of an agency

“Lee is a real talent when comes to graphic design, advertising and marketing. I have engaged Lee on several occasions to create graphic oriented marketing materials and will do so again. I cannot speak more highly of his ability to creatively deliver high quality work.”
