

LEE WOODWARD

RECOMMENDATIONS

“Lee is an extremely talented designer who has great attention to detail and a strong understanding of branding and design. He led multiple rebranding initiatives within our organization, resulting in new brand identities, style guides and brand collateral. He also helped lead multi-dimensional integrated marketing and tradeshow campaigns that included elements of print literature, email, web and signage. Lee always gives his best and has one of the most positive attitudes you will find in the business. It was a pleasure working with Lee as part of our Marketing and Creative team, and I highly recommend his work.”

Dana Dowdy

VP of Marketing, New Thermoserv, Ltd.

“Lee is a real talent when comes to graphic design, advertising and marketing. I have engaged Lee on several occasions to create graphic oriented marketing materials and will do so again. I cannot speak more highly of his ability to creatively deliver high quality work.”

Justin Cole

Director, Berkadia

“Lee is a consummate professional. He is punctual, hard-working and very talented. Lee will always be ready to lend a hand to help the company meet deadlines. He is friendly and works well with clients and peers. Often designers are great at creating art but are not someone you would want in front of a customer. However, Lee possesses top rate qualities in that he is organized and an effective communicator as well as an extremely creative designer.”

Ann Windham

CEO, Imagine Xhibits

“Lee does a great job of understanding the desired purpose of a given marketing campaign and delivering creative content that is effective.”
